

Looking for a meaningful way to do community service?
Earn 4 hours of community service in ½ the time.

Become an Ambassador for the Blind

Complete a blind sensitivity workshop from the National Federation of The Blind and learn to create an online fundraising campaign for blind children in Israel.

Friends of Eliya - USA is proud to host our first blind sensitivity workshop for teens between the ages of 11 and 17.

****No cost for the workshop**

- ** Students will earn three hours of community service hours for the workshop and additional hours for time spent on a charity project for ELIYA**
- *** Students will be required to create a free fundraising website and campaign for ELIYA (instructions will be given)**

Friends of ELIYA-USA was established in 1999, to raise awareness and funds for ELIYA-Israel, supporting blind and visually impaired children in Israel.

ELIYA Israel - established in 1982, provides state-of-the-art, early intervention programs and services for blind and visually-impaired preschool children and their families. ELIYA centers are recognized as the leading facilities of its kind in the world and serves children of all faiths and backgrounds in Israel.
